

Concealed Trapway Toilet Seat Installation

Use Centoco's concealed trapway hardware kit (additional purchase).

Make sure the seat holes are clear

Separate the bolts and washers from the rubber grommets

Insert rubber grommets into the toilet bowl holes

Push grommets down into the holes

Take the bolt and insert it through the washer and seat hinge

Insert bolts into the rubber grommets. Align the seat properly on the toilet bowl.

Screw down until the seat is tight

Close the hinge caps

Enjoy your Centoco toilet seat
